

**“ We needed to expand. And we thought  
that meant we’d have to move.  
But Oxford found a way. ”**

We had contiguous neighbors in our Burlington location, so expanding didn't seem possible. But Oxford was creative and open with the other tenants. They found that one wanted to downsize, so we gladly took the additional space. Plus, they worked on the renovation and upgrades over a weekend, so we didn't have much downtime. Now that was a great solution.
