

“*The setting is beautiful and the service is downright neighborly. In my case, literally.*”

I chose Burlington because of the upscale interiors, beautiful grounds, and parking — features and amenities that set the proper tone for my clients. But what impresses me most is their attention to detail and level of service. My office is literally across the hall from Oxford's. So when I need something, I just pop in and it gets taken care of. I couldn't imagine a better situation.
