

*“It’s so much nicer to be a
tenant of a local owner
than a REIT.”*

This is my third company in Burlington. And now that it’s under local ownership, the service is great. When we rented from the previous owner, a REIT, the corporate office was so far away that we were several layers removed from the decision-makers. Now, we’re just a short walk from talking face-to-face with the people that maintain Burlington as a top-line property.
