

“*With the growth of our software company, it became apparent our offices needed an upgrade. Burlington presented the right image.*”

There are plenty of office space options in Ann Arbor – we know; we looked around - but Burlington has what we need: a professional image, well-kept buildings, beautiful landscaping, easy highway access, a good location and plenty of parking. We've only been here a short time and I've already recommended Burlington to colleagues.

Dennis Carmichael, *President*
Cimulus, Inc.
