

**“Burlington projects professionalism.
And the local focus and attention
to detail of Oxford makes
it even better.”**

New eyes and a “new broom” often sweep clean any rough spots. Actions speak volumes. Since Oxford became Burlington's manager, capital needs have been addressed; they are dedicated to investing the necessary capital - renovating the buildings and the grounds - to ensure that Burlington remains a top-level property. It's a professional address that delivers professional service.
